Post-Closure Care Status

Date Post-Closure care began _____
(The date post-closure care began is the date that the landfill final cover construction was completed)

Other Required Reports

Cover inspection: Each facility must report the inspection dates and actions taken to maintain the final cover

Financial Assurance: Each facility must recalculate the cost of post-closure care to account for inflation and facility changes each year. The recalculation, along with proof that the new cost estimates are fully covered by the assurance mechanism currently be utilized, must be submitted. Facilities that are using a trust account should include a copy of the most recent account statement.

Note Facilities using "Local Government Financial Test" must provide the information required in R315-309-3(7)(d)

Ground Water Monitoring: Each facility required to conduct ground water monitoring must submit a ground water monitoring report, which contains water elevations, sampling results, and statistical analyses.

Explosive Gas Monitoring: Each facility required to conduct gas monitoring must submit a gas monitoring report.

Signature: _____ **Date:** _____

Signature should be by an executive officer, general partner, proprietor, elected official, or a duly authorized representative. A duly authorized representative must meet the requirements of the solid waste rules (UAC R315-310-2(4)(d)).
